

# Ski Trip Behaviour Contract

1. I understand that skiing is an inherently dangerous sport and that by behaving sensibly and appropriately on the slopes, my chances of being injured are significantly reduced.
2. I agree to abide by the instructions given to me by the ski instructors, resort staff and by my tutors, and clearly understand that instructions are for my own safety and well-being, as well as that of others.
3. I agree to abide by all timings and agreed location meeting points set down and understand that timings are critical for success and enjoyment of the trip.
4. I agree to keeping my hotel room in a clean and reasonably tidy state for the duration of the trip and agree to report any damages, caused unintentionally or otherwise, as soon as possible. I understand that if I do damage any property, I will report it/be responsible for payment of damages. I also agree to leave the hotel room in the state required by resort staff.
5. I agree to sign in at the Hotel..... individually every night (a sign in book will be made available), and understand that this system is in place entirely for my own safety and well-being.
6. I agree that I will sleep in the same gender room allocated to me every night, and for the duration of the night, and understand that this is for my own safety and well-being.
7. I understand that under no circumstances I will consume or purchase any alcohol whatsoever.
8. I agree to wear a helmet at all times whilst skiing and understand that by wearing one I can significantly reduce my chances of suffering serious head injury.
9. I agree to show respect for others, their property, and to also moderate my language whilst in transit, in resort and when on the slopes, and by demonstrating positive and mature behaviour, my chances of enjoyment will be significantly increased.
10. I agree that I have no injury prior to departure that will be exacerbated by the demanding sport of alpine skiing. I understand that any false declarations will render the insurance policy null and void.
11. I agree to be responsible for my own ski pass and emergency contact card and agree to take them with me on the slopes every day. I also understand that if I lose my ski pass, any replacement will be at my own expense.

12. I agree to giving this trip my full enthusiasm, a good get up and go attitude, a sense of fun and understand that at all times I am an ambassador for ..... School/College!

13. Finally, I understand that any breaches of the above points will invoke the 3 stage disciplinary process. If I break a rule once, I will forfeit a day's skiing and will be confined to the resort. If I break the same rule, or a different rule, twice then I will have my ski pass taken off me for the rest of the trip and will therefore be unable to ski. A third and final breach of any of the above points will result in me being asked to return home to the UK, which I understand will be at my own/ my parent or guardian's expense.
